

Mind Wings Audio publishes 1-hour audio books, fiction stories 50 to 70 minutes, never longer never shorter. We produce two formats: MP3 and Compact Disc.

Our stories are new stories, not previously published. Our authors have published works in various magazines and other periodicals or new with exceptional talent. Our audios are recorded by professional voice over (narrator) resources, many being members of the American Federation of Television & Radio Artists (AFTRA) organization. Stories are diverse in selection, for example: Mystery, Detective/Crime, Romance, Religious, Suspense, Thriller, Inspirational, Sci-fi, Adventure, et cetera.

Our content is unique and offers listeners a complete story in about an hour—fitting for multi-taskers, commuters, exercisers, travelers, and others. The listener gets a complete story; it's a great alternative to a book-length audio—express entertainment, reasonably priced. CDs sold at www.mindwingsaudio.com and downloadables available at Audible.com.

eBooks editions are also available at many locations on the web. Check under 'Special Interest' heading at www.mindwingsaudio.com. This list is continually updated.

Mind Wings Audio is always open to submissions (submit to: www.miwishorts.com). There are no writing Contests, any author wins with a great story.
