

Getting Manuscript in Submission Block

STEP1:

Go to this page: <http://www.miwishorts.com/pages/submit-your-short-story.php>

STEP2:

Enter the information requested in each block

When you reach the block labeled: Copy paste your short story here, go to next step

STEP3:

- Open your document file to be submitted
- Go to your document and select all (not sure what application you're using this works for Microsoft, press Control and A (or Ctl-A) this will select all the text you want to copy)
- Then press Control and C (Ctl-C)
- Go back to the submit-your short-story page place the mouse pointer in the block then press Control and V (or Ctl-V). This will paste all the text copied in the submit form
- **VERY IMPORTANT!** After this is done finish the entries if desired **THEN**
- Answer the math question at the bottom—if you do not do this step the story will not be processed.

After the steps above are completed you will get an acknowledgement response. That's it until your story is reviewed then Mind Wings will notify you of the outcome.
